Katy is a Missionary from Costa Rica. She is here in Papua New Guinea with her husband Vico and their little gorgeous son Isai. They live and do their missionary work in SIL— Summer Institute of Linguistics.

Katy Solano — SIL

Vico, Katy and Isai Solano

Katy has so graciously organized Reading Books and Games, both of her own and gathered from the families of SIL.

They are mostly story books for young children, timeless classics and also less common ones, even some in other languages! Since SIL is multinational and multi-bilingual of course! They do bible translations for all the dialects of PNG.

Muchisimas Gracias Querida Katy!

Sandra Bennett

A special thank you goes out to Mrs. Sandra Bennet, from Brisbane. She sent us some very useful Activity Placemats, a story book, ABC, Numbers, and Color Flash Cards, which have been the highlight of the Grade 1 kids this year. They just love them! She also sent us a very nice laminated World Map, to accompany our Geography lessons! Thanks so much Mrs. Sandra!

New School Library

Well, not exactly new, it is our faithful Digicel Container. We will be transforming it to be our Library, with all the new Books we have received this year, we need a proper space to store them all..!

We will build shelves inside to accommodate over 1000 Books we have so far!

In the meantime, the library is also where all the pikininis come on Fridays to enjoy our lovely Story Time..!

New Projects on the Way

.. TRAVELLING BILUMS ..

We hope to start next year with our BILUM Project. If everything goes to plan, we will be acquiring all the materials necessary to make this traditional PNG bag. The students mothers will be involved from beginning to end, to ensure quality. These will then be sold when the Colbran Coffeelands website is launched. All the proceeding go to the School's Benefit.

FRUIT GARDENS IN THE SCHOOL

We have Pineapples, and Bananas planted. We also have nursery's of Guavas, Papayas and Oranges. Once these can be harvested, they will be sold at the Plantation Markets for school funds. Thanks to our Chairman Natume Yoyo, for organizing these Fruit Gardens.
